to Undergraduate Assistantship, Student Health Services - Wellness and Health Promotion Services

Wellness and Health Promotion Services is currently accepting applications for Undergraduate Assistantships for the fall & spring semesters. Undergraduate Assistants in WHPS are responsible for providing health education and health promotion to SIU students. Primary emphasis will be on Stress Management, Alcohol & Other Drugs, Sexual Health, Nutrition, and Bystander. Some evening and weekend hours are required.

Positions may require course work or experience in various areas, depending on responsibilities. Please designate what background, training, or experience you have in the areas listed below. Use additional paper as necessary.

1) Please relate your personal/professional interest in wellness:

2) Teaching/public speaking presentations:

3) Program development, promotion or evaluation:

4) Specific experience, courses or training related to wellness programs (e.g., alcohol & other drugs, stress management, sexual health, bystander, nutrition, etc.).

5) What experiences have you had with diverse cultures and lifestyles?

6) What other skills can you bring to Wellness and Health Promotion Services (e.g., foreign language, drawing, photography, video production, music, computer, etc.)?

7) What experiences have you had with research design, data collection, data analysis/interpretation?

8) How will this position benefit you academically and professionally?
